ABN 70 788 504911

Member of the Pacific Nuclear Council

Member of the International Nuclear Societies Council

Affiliate Member of the World Nuclear Association

Membership Application

The Australian Nuclear Association is an independent incorporated non-profit Scientific Institution. It is an association of individuals to provide a forum for the presentation, exchange and dissemination of information on the peaceful uses of nuclear science and technology. It holds regular technical meetings and national and international conferences. It publishes *Nuclear Australia* bi-monthly to report on nuclear events and issues.

Membership eligibility is determined by the Membership Sub-Committee, but in general this will be on the basis of an individual's interest in, and contribution towards, nuclear science and technology. Applicants for ANA membership require two sponsors who are Full Members. Full Members are entitled to vote at general meetings, be elected to the Committee and to hold office.

Please include your contact details on this form. You may indicate that your private address and contact numbers should not appear in any Member's Handbook. The details given are for the Association's sole use and are not provided to Third Parties. A copy of the constitution, by-laws and rules of the Association will be sent to accepted members.
